The private consulting rooms are at 150 Harley Street and Lydia operates at the London Clinic which is located directly opposite. Lydia is a Consultant Surgeon at the Royal National Throat, Nose and Ear Hospital, specializing in nasal surgery. As a rhinoplasty surgeon she treats structural problems of the nose, either congenital or acquired, which require functional or cosmetic surgery. She is also an Honorary Senior Lecturer in University College London. Lydia Badia has expertise in all aspects of facial plastic surgery, this includes both corrective and rejuvenation techniques. Her injection techniques with Botulinum Toxin and fillers give patients a natural look.
